Order

No: 919-22/67 of 26-5-83.

Pending the introduction of the scheme for the development of local self-Government, which is now under the consideration of His Highness the Maharaja's Government, it is resolved to relieve the Municipality of the Bangalore Town of the cost of the Town Police Force. The constitution of the Municipal Board has to be improved, so as to increase its responsibility and its real usefulness.

This has to be effected by means of a new law and will therefore occupy some time.

2. In the meantime orders have to be passed upon the Budget for the current year, and advantage may be taken of this opportunity to relieve the Municipality of the cost of the Town Police over which the Board can exercise no control whatever, and to transfer to the management and control of the Board suitable items of expenditure which are at present met from Provincial Revenues — The Govt are of opinion that the administration of local medical

and other charities and of local Educational institutions teaching up to a certain standard may properly be handed over to the Board, as the local experience and interest which it must be able to bring to bear upon their management, must be of great benefit to the institutions concerned.

3. The present cost on the account of the Town Police amounts to Rs. 26,578 per annum. In order to meet this cost, the Board now receives the revenues from Mohatarfa taxes and Liquor Licenses. While therefore the Board will continue,

to have these sources of income which are in every way fit to be administered by local bodies, it will cease to bear the cost of the Police, but instead thereof, will take over the following items of Ex-penditure:-

		Annual Cost Rs.	
I. Medical Charity.			
1. Town Civil Dispensary		3639	
2. The Maternity		1488	
			5,127
II Other local Charities			
1. Orphanages		1,000	
2. Gosh Chattram		764	
3. Langar Khana		1,800	
			3,564
III Educational Grants-in-aid			9,120
		Total	Rs 17,811-

4. The items of expenditure thus transferred to the Board are less than the cost

cost of the Police by Rs. 8,767;
and Items of Receipts
nearly equal to this
amount may therefore
be taken away from it.
It is accordingly directed
that the following
Cash Contributions from
Provincial Revenues
shall cease: namely —

Rs. 3,500/- from the D. P. W.
on account of the
maintenance of Suburban
Roads within Municipal
limits;

& Rs. 5,000/- from Land Revenue
on account of cultivated lands within
the same limits —

These are sources of Income
which the Board cannot
administer and are therefore
properly taken away from
it —

5— Hereafter when the
constitution of the Board
is improved and when
it has acquired some

6

Experience in the
-ment of Institutions
such as those now made
over to it, other Items
of Provincial income
and Expenditure can be
transferred to its admi-
-nistration.

6. For the purpose of
control over the medical
and educational Institutions
which the Board will hereafter
maintain or to which it
will contribute grants-in-aid,
the services of the specially
trained officers at the
disposal of the Government
will be made available
to the Board, which, while
it shall have sole and
unfettered charge of the
Institutions now made over
to its management, will

be bound to maintain them at the standard of efficiency prescribed by Government, with the aid and advice of the Govt. Officers already referred to –

7 – It is proposed to abolish the primary and middle-School Classes of the Central College – It is impossible that such classes can receive the requisite amount of attention from the head of an Institution which teaches up to the highest Collegiate standard – The want therefore of a School under efficient management and giving instruction up to the middle-School Standard, appears to be much felt

in the Town - Already
such a School has been
opened in the Town by
private enterprise, and
the Managers of this School
have applied for a grant-in-aid
from Government, and
are understood to be
willing to place the School
under the management
of the Board - The Board
may therefore not only
give a grant-in-aid of
Rs. 100/- per mensem to this
School, but also take it
under its own management
as a "Municipal School"
and accommodate it
in the premises now occupied
by the Municipal office
which may for this purpose
be removed to the District
office buildings - If the
Managers of this School
are not agreeable to this
arrangement

arrangement, it is desirable that a separate Municipal School should be Establish=ed as soon as possible in the manner above indicated - Such a School must, to a very great extent, be self-supporting, and it should for the present confine itself to teaching up to the middle School standard

8. A sum of Rs 12413-, being Candayan of lands within municipal limits - for the years 1876-77 upto 1882-83. must in accordance with the understanding on which this Item of Revenue was transferred to the Board, be set apart as a reserve fund for charitable purposes -

9. The attention of the municipal President

(b)

will be drawn to
fact that the present
No. 1 Division is too large
for efficient management —
A part of it and the
portions recently transferred
from the Civil and
Military Station may
therefore be formed

to be called the Sixth,
and Mr Sydney Smith,
Advocate, and Mr. H. J.

of the Central College, appointed
Commissioners of this Division —
Upon receipt of the
Board's views upon these
proposals, the necessary
orders will at once
